Circular No. 01/2024-25

By Mail

Date: 20.11.2024

To
All Members.

Dear All,

Sub: Registration of **REPA** under Tamil Nadu Societies Registration Act 1975-Copy of Registration Certificate of REPA-Shared.

Ref: Our WhatsApp updated as shared on 19.11.2024.

Greetings from REPA!!!

Members are informed that REPA has received a legal status now, by making it registered under the Tamil Nadu Societies Registration Act 1975, under Registration No. 131 of 2024. A copy of the Registration Certificate is attached herewith. This Registration Certificate is downloaded through online and the signed copy is expected by 20.11.2024.

Due to the registration process fully completed and a Registration Certificate was also issued to REPA, hereafter, REPA will become a Lawful Legal Entity for all purposes and accordingly, it has the status to sue any matters before the forums like High Courts, APTEL, TNERC, Supreme Court, etc., and the benefits of any orders obtained by REPA, will benefit the members enrolled with REPA. As per the updates received as of now at REPA, there are only 347 Members provided data for becoming regular members of REPA.

The processes of getting PAN, GSTIN and opening of Bank Account, are also being pursued and are expected to be completed before this weekend. Once these processes are completed, REPA would be in a position to share the Formal Application Format, for membership at REPA individually, to all members expressed willingness so far. From the list of members so far expressed willingness, it could be seen that many members of TASMA, having RE Scopes, are not still aware of the fact of REPA getting functioning and may be for that reason, it looks that such members have not filed any details with REPA so far. The following are the basic details required at present.

Details Required:

Name and Address of the Member :

E-Mail Id. :

WhatsApp Number :

Capacities installed in MW in,

Solar (Roof Top) :

Solar (GISS) :

Wind :

As REPA has strong plans to challenge the some of the recent proposals of TNPDC / TNGECL at appropriate forums and seek orders, the decisions so obtained from such forums, would be applicable only to the members of REPA. A present TASMA Member, not getting in to membership at REPA, cannot have the benefits as REPA Members get. Hence, to make the functioning of REPA in a grand manner, remaining members of TASMA, not furnished the above data, can furnish the same to make the list fully completed as final.

Thanking You,

With Regards,
Dr. K. Venkatachalam,
Chief Advisor.
